Our school attained Bronze status from Partners for Healthier Alliance. We continue to focus our efforts on providing a quality education for all our students. Our goal is to provide every student the support and resources needed to be successful. We would like to thank our teachers, parents, and students who helped make the many successes of this year possible with their commitment to the cause of education in Colleton County. These initiatives and success stories are testimony to our commitment to motivate students to accomplish the common goal of graduating from an academically rigorous and challenging high school composed of caring, competent, and committed educators.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>73.4</b>
<b>Overall Grade Conversion</b>	<b>C</b>

80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
